Aboard Harmony of the Seas®**

The Van Horn Law Group team joined 230 supporters of Big Brothers Big Sisters of Broward aboard Royal Caribbean International's Harmony of the Seas® for an extravagant fundraising event featuring cocktails, 3-course gourmet luncheon with wine and champagne, silent auction and tours of the world's largest cruise ship. The afternoon event raised more than \$27,000 for Big Brothers Big Sisters of Broward, which provides children facing adversity with strong and enduring, professionally supported, one-to-one mentoring relationships.

"As a team, we're proud to support Big Brothers Big Sisters, because the work of the organization really does change the lives of at-risk children," said Chad Van Horn, Esq., founder and managing partner at Van Horn Law Group. "I discovered this firsthand as a Big Brother of Desmond for the past six years. I see that Dez, who is now a teenager, makes good choices, choices he made not have made without the influence of a mentor in his life."

Van Horn also has served on the Big Brothers Big Sisters board of directors offering pro bono legal counsel since 2013. He currently serves as board vice chair.
