'The Debt Life,' a Bestseller***

Chad Van Horn, Esq., founding partner attorney of Van Horn Law Group, P.A., released his second book, *The Debt Life*, a collection of true stories that underscore proven tactics to lift the burden and spirit-crushing stress caused by debt. The book rose to Amazon's bestseller list within 24 hours of going on sale.

The immediate success of the book points to the value of the book's easy-to-read informational content. In *The Debt Life*, Van Horn illustrates effective solutions to help real-life individuals and businesses find their way beyond "the debt life" and into financial solvency, stability, and peace of mind. The reader can easily connect their situations to the circumstances described in the book, realizing they are not alone and are in control of creating a brighter future.

*The Debt Life* covers many causes of financial distress, including but not limited to – credit card debt, unexpected medical expenses, divorce, gambling, shopaholism, real estate flipping, student loans, and more. The book also explains ways to get out of debt, including consolidation, debt management, budget trimming, negotiation, and various bankruptcy options.

"Sometimes people feel like a failure when they file bankruptcy, that they're the only one who's ever had significant financial trouble," said Van Horn. "But the truth is bankruptcy is a financial tool used by millions of individuals and major corporations to help reduce or eliminate debt and to get on a path to recovery. *The Debt Life* tells this story. I hope that people realize that they're not alone, and a brighter future is not only attainable, but likely."

*The Debt Life* is available in paperback for \$12.95 at [www.tinyurl.com/DebtLifePaperback](http://www.tinyurl.com/DebtLifePaperback) and includes a half-hour complimentary legal consultation. *The Debt Life* in digital format is available for \$9.95 at [www.DebtLifeBook.com](http://www.DebtLifeBook.com).
